

Whistler's Bend Campout XV
August 19th thru August 22nd 2010

This year's slogan
River Recovery Rocks

This year's activities include a raffle, pie-in-the-face, Sunday morning pancake breakfast, and meetings. We will provide the space for the magic of our fellowship. We need you to come and bring your spirit, fun and recovery so we can all be renewed.

The North Umpqua River flows past our campground. We have horseshoe pits and a disc golf course. Several spectacular waterfalls are a short drive from the park

The weekend events are on the back of this flyer.
Registration forms will be available soon.
